

**Mahindra Powerol honoured as “Outstanding Genset Brand”
Mahindra CE receives award for “Innovative Product for Road Construction”**

Mahindra Powerol was honoured as an “Outstanding Genset Brand”, while Mahindra Construction Equipment received an award for “Innovative product in road construction” for the Mahindra RoadMaster G75 in the Construction category at the EPC World Awards 2017 held in New Delhi.

The award was received by Mr. Sanjay Jain, VP, Retail Sales, Service & IB and Joy Ghosh, DGM Brand from Powerol. They were joined by Mr. R K Vashisht, DGM, Sales- North and Mr. Ruchir Agarwal, Sr. Manager, Marketing – Construction Equipment.

Mahindra Powerol was so honoured for the innovative products and services it has developed for the Indian infrastructure and construction sector.

The Construction Equipment business was honoured for its exceptional contribution to the infrastructure and construction sector. This was in the presence of eminent industry stalwarts.

The 7th EPC world awards is a prestigious event that recognizes and honours companies or individuals in the infrastructure, EPC and Construction industries on the basis of their qualitative and quantitative performance. The awards were shortlisted by an Expert Jury panel.

Congratulations to the entire team for making us proud!
