

Mahindra Powerol wins the 'Excellent Performance Award' from Indus Towers Limited.

March '13: In the recently conducted Business Partners' Meet organized by Indus Towers the World's leading Tower Company, presented the award for 'excellent performance in DG SME (Subject Matter Expert) Category' to Mahindra Powerol for their outstanding contribution to business prosperity.

Team Powerol with their accolade

Mahindra Powerol, the leading power solutions provider for the Telecom sector, has been consistent in its product and service delivery and has at all times gone the extra mile to ensure customer delight. Indus Towers has long been a customer of Powerol and has time and again awarded Powerol for its efforts to ensure seamless business functioning.

The Indus Business Partners meet was conducted on the 15th March 2013 in Ahmedabad, Gujarat with the intentions of honouring the best performers and to share their future Strategic plan with all its stakeholders.

Such recognitions boost the morale of all those involved and will help team Powerol continue to strive to deliver unmatched performance in all their endeavours.

Special thanks to the Gujarat MAGIEC team for their contribution towards this achievement.
